All current information about our electric vehicles can be found at:

www.avis.at/rund-um-avis/mietwagen/elektroautos-at

These rates are only valid for business-related rentals – not for private or holiday rentals.

The vehicles shown are for example purposes and can be replaced with equivalent vehicles.

The renter undertakes to exchange the vehicle, regardless of the contractually agreed total rental period, when the vehicle-specific maximum rental period and/or maximum mileage is reached.

Avis is also entitled to request the replacement of a vehicle within an ongoing rental contract if the rented vehicle has reached the maximum permissible mileage or term or is driven out of the fleet for any other reason.

Avis will inform the renter in good time of the vehicle exchange and the return date. In the event of a vehicle exchange, there is no entitlement to receive the same vehicle type. In the event of non-compliance with the return date, Avis will charge an amount of € 1,000 for each month or part thereof,-.

All prices are exclusive of VAT and government fees and are subject to availability.

Prices for services not included are subject to change.

Would you like to use Arval FLEX?

Please send us an inquiry to info@arval.at with the following information:

- Desired vehicle category
- Rental period
- Place of vehicle pick-up
- Desired date
- Contact persons & contact details

We will check whether the desired vehicle category is available on the desired date. Please note that we usually require a lead time of 3 to 5 days for the provision of your vehicle. The vehicle models mentioned are examples of the respective vehicle category. There is no entitlement to the availability of these models.

The advantages:

- Flexible contract duration
- No transfers, no regular car swaps
- No unforeseen costs
- Business and winter-friendly equipment at no extra charge
- Fuel card on request
- Optional telematics services

Included are maintenance and wear and tear repairs, taxes, 24-hour assistance, claims management, liability insurance, coverage of all fully and partially comprehensive risks, logistics costs
